2009 RON ZETCHER
BASKETBALL REFEREE CAMP

Ron Zetcher, 31-year veteran, is the Coordinator of Officials for the MIAA and SLIAC Conferences. He also assigns officials for Washington University, St. Louis Christian College, Lincoln University, Haskell College, and Concordia Seminary. He has officiated 18 NCAA tournaments and has supervised men's and women's basketball officials for 23 years. Ron has mastered the art of officiating and now shares his years of experience with you.

Train with NCAA officials working in conjunction with Ron. The staff will work with you both on and off the court to provide the highest quality of training. You will have an opportunity to discuss actual game situations and philosophy of the game with Camp Staff and fellow officials. This is a *must* for every basketball official that is serious about becoming part of the Ron Zetcher Officiating Staff and *is ambitious about improving his/her skills and reaching the next level.*

Camp schedule and directions to SIU Edwardsville will be sent upon receipt of registration.
